

Cantley with Branton Parish Council

We need your Views on a proposal for a MUGA (Multi Use Games Area)

In January 2017 Cantley with Branton Parish Council held a public consultation at Kilham Hall to discuss proposed plans for developing the recreational facilities at Kilham Hall Recreational Ground.

The parish was in receipt of Section 106 monies, made available from the developments at Woodland Walk and Badgers Holt. Both Phase one and two of the proposed plans are now in place. You may remember we also had a phase three, which was dependent on further 106 monies from the Branton Farm development which, at the time, had not started. Building started on this development mid Summer so we are now in a position to consider phase three which was a MUGA – Multi Use Games Area. The 106 monies from this development must be spent on recreational facilities at Kilham Hall Recreational Ground. This is written into the Section 106 agreement and the Parish Council has no power to change this;

After our consultation In January 2017, The Parish Council applied for planning permission for all 3 phases (only phase 3 needed planning permission). Sport England objected to the plans for a MUGA based on their view that it would replace an existing grass football pitch. We replied to Sport England to make them aware of the space that would be taken up by the MUGA and explained we would still have a sufficient area of the playing field for football and other sport activities. Sport England said they needed to see evidence from residents that this is what the village wanted. As this money is likely to be available in 2019, the Parish Council would like your views on plans for a MUGA and any other ideas you may have.

We would really appreciate it if you could answer a few questions on the opposite side of this leaflet. We need a name and an address as views and opinions can only be taken from residents of Cantley with Branton Parish Council. Any resident within your household can complete a questionnaire.

The more feedback we receive, the better the decision we can make.

You can also download the questionnaire from our website www.cantleywithbrantonparish.co.uk and you can email your response to cwbpc@outlook.com or return to the Premier Store in Branton by 30th January 2019.

Thank you
