## **March 2019 Newsletter**

### **2019 Annual Parish Meeting on Wednesday 6 March 2019 at 6.30pm**

To find out more about the exciting initiatives taking place in the parish any elector can attend the meeting to raise any matters for consideration by the parish council. The March parish council meeting will follow the Parish Meeting.

### **2019/20 Precept – Annual Review from 1 April 2019**

Following the issuing of revised information from DMBC the parish council determined that the 2019/20 precept should increase by an average of 1.56% (for a Band 'D' property). This provides for an increase to enable further developments for the benefit of the community as well as to cover the cost of inflation and to take account of the reduction of £408 in grant funding from DMBC the total revenue raised will be £40,000.

### **Outcome of Consultation on the Provision of a Multi Use Games Area (MUGA)**

Thank you to the 60 parishioners who have taken the time to complete the consultation document which has provided useful information and denoted that over 75% were in favour of the provision of a MUGA. Arrangements will be made to hold a public consultation meeting at Kilham Hall later in the year when more details of the availability of the funding is known.

### **Keep Branton Tidy – Saturday 16 March 2019**

Residents are invited to support the parish council in undertaking a litter pick to improve the appearance of the village. Please meet at Branton Garden Centre at 9.30 am. and please email [michelle@arrowpublications.co.uk](mailto:michelle@arrowpublications.co.uk) if you are able to take part. Litter pickers, high visibility vests and plastic sacks will be provided but please bring your own gloves.

### **Vehicles Accessing Whiphill Top Lane from Chapel Lane**

The parish council has been made aware that a number of vehicles are using the 'no entry' area of Chapel Lane as an access to Whiphill Top Lane and there has been at least one incident of damage to a vehicle as a result. The information has been reported to the police but it would be helpful if details of particular times of usage or types of vehicles could be provided in order to assist the police. Please contact the parish clerk on [cwbpc@outlook.com](mailto:cwbpc@outlook.com) with any further information.

### **The parish council would like to wish everyone a very happy Easter**
