## Autumn 2021 Newsletter

### **Parish Council Meetings**

Parish Council meetings are held on the first Wednesday of every month, except August where no meeting is held due to the holiday season. The next Parish Council meeting will be on Wednesday 6<sup>th</sup> October 2021 in the Kilham Hall meeting rooms. The Agenda will be posted on the parish council website, notice boards and facebook page along with a schedule of meeting dates.

### **Police 'Drop In' Session Planned for 29<sup>th</sup> September 2021**

The Police Drop In for July saw a few members of the public in attendance. Issues raised were regarding recent burglaries and speed awareness on Whiphill Top Lane. PCSO's have been on Kilham Lane recently with speed guns. They mentioned a Scheme where local residents can receive training on the use of speed guns to enable more frequent speed checks to be carried out. If anyone is interested please email the Clerk to the Parish Council ([cwbpc@outlook.com](mailto:cwbpc@outlook.com)) with details so they can be forwarded. The date for the next police 'Drop In' session has been arranged for the above date at Kilham Hall Meeting Room starting at 1.30pm.

### **Keeping the Parish of Cantley with Branton Tidy**

Thanks are again expressed to those giving up their time to take part in the July 2021 litter pick in Branton and Old Cantley keeping the area free from litter and hazards. A further litter pick will be arranged for October 2021. We are hoping to branch out into the Manor Farm area of the Parish. If any residents from Old Cantley or Manor Farm would like to join us please contact the Clerk.

### **Use of Kilham Hall Car Park**

It has been agreed that the car park will remain open for park users, however as Kilham Hall is open again, when the hall is in use it will be for the hirers use (and their guests) only. The Parish Council are currently considering permanent signage for the car park to ensure it is clear when the car park can be used. The car park will open from 9am until 6pm each day, 7 days per week.

### **Illuminated Trees and New Site for an Additional Christmas Tree**

Works have been approved for illuminating two existing trees at Old Cantley/McAuley roundabout and for a new Christmas tree to be purchased and situated at the top of Whiphill Top Lane/Doncaster Road/Milton Road. DMBC will be carrying out the groundworks and installing the relevant electricity boxes prior to the festive period. The Parish Council hope to be able to add more trees around the Parish in the coming years.

### **Storage Extension at Kilham Hall**

Legal work is progressing and we hope to have a date for commencement of work in the very near future. Keep an eye on the website and facebook page for more details.

### **Facebook**

Don't forget to visit the Parish Council's Facebook page .... Search "Cantley with Branton Parish Council" and look for the parish council logo above. Like and follow the page for useful information relating to the Parish and the wider community.
