## What can I do NOW?

Put important documents out of flood risk and protect in polythene

Look at the best way of stopping floodwater entering your property

Find out where you can get sandbags

Identify what you would need to take with you if you had to leave your home

Check your insurance covers you for flooding

Make a flood plan and prepare a flood kit

Identify who can help you/ who you can help

Understand the flood warning codes

What can you do if a flood is expected in your area?

Actions	Location
Office	
- Alert staff and Councillors and request their help	
- Move furniture, electrical items, important documents and stock to safety	
- Make a list now of what you can move away from the risk	
- Turn off electricity, water and gas supplies	
- Put flood boards, polythene and sandbags in place	
- Unless you have time to remove them hang curtains over rods	
- Move sentimental items to safety	
- Put important documents in polythene bags and move to safety	
Car Park and outside	
- Move your car out of the flood risk area	
- Move any large or loose items or weigh them down	
Evacuation - Prepare a flood kit in advance	
- Inform your family or friends that you may need to leave your home	
- Get your flood kit together and include a torch, warm and waterproof clothing, water, food, medication, toys for children and pets, rubber gloves and wellingtons
